laptop ergonomics

ergo-t 340 laptop stand

Ideal for office use, 'hot desking' and home offices. Fully equipped laptop stand, which is height adjustable and includes a built-in document holder, a swivel base, cable management and laptop cooling sleeves.

key benefits

- > Positions notebook screen at an correct ergonomic level and allows for the user to comply with legal health and safety requirements.
- > Improves body posture, reduces neck torque and increases comfort.
- > Money saver: no need for an external monitor, and saves desk space.
- > Unique, universal facility to integrate any advanced port replicator (docking station) or USB hub to pre-connect all your peripherals.
- > Improved productivity due to built-in (patented) document holder. Document holder is pivotable for easy laptop set-up and remain access to laptop keys.
- > Cooling sleeves and ribs ensure ventilation, prevent heat built-up.
- > Cable management for clean and tidy workplace set-up.
- > Fixing which allows user to secure an industry standard cable lock.
- > Swivel base allows multiple viewing angles.
- > Sturdy, secure fit for all laptops up to 17 inch widescreen.
